To ensure that this is the case, the provisions of this paragraph must be met.

(1) VA will pay educational assistance to a veteran or servicemember (other than one pursuing a program of apprenticeship, other on-job training, or a correspondence course; one seeking tuition assistance top-up; one seeking reimbursement for taking an approved licensing or certification test; one who qualifies for an advance payment; one who qualifies for an accelerated payment; or one who qualifies for a lump sum payment) only after:

(ii) VA has received from the individual a verification of the enrollment.

(Authority: 38 U.S.C. 3680(g), 3689)

(2) VA will pay educational assistance to a veteran pursuing a program of apprenticeship or other on-job training only after—

(i) The training establishment has certified his or her enrollment in the training program as provided in § 21.7152; and

(ii) VA has received from the veteran and the training establishment a certification of hours worked.

(3) VA will pay educational assistance to a veteran or servicemember who is pursuing a correspondence course only after—

(i) The educational institution has certified his or her enrollment;

(ii) VA has received from the veteran or servicemember a certification as to the number of lessons completed and serviced by the educational institution; and

(d) *Payment for intervals between terms.* (1) In administering 38 U.S.C. chapter 30, VA will apply the provisions of §21.4138(f) when determining whether a veteran is entitled to payment for an interval between terms. References to §21.4205 in §21.4138(f) shall be deemed to refer to §21.7136.

(2) The Director of the VA facility of jurisdiction may authorize payment to be made for breaks, including intervals between terms within a certified period of enrollment, during which the educational institution is closed under an established policy based upon an order of the President or due to an emergency situation.

(i) If the Director has authorized payment due to an emergency school closing resulting from a strike by the faculty or staff of the school, and the closing lasts more than 30 days, the Director, Education Service, will decide if payments may be continued. The decision will be based on a full assessment of the strike situation. Further payments will not be authorized if in his or her judgment the school closing will not be temporary.

(ii) An educational institution, which disagrees with a decision made under this paragraph by a Director of a VA facility, has one year from the date of the letter notifying the educational institution of the decision to request that the decision be reviewed. The re-

quest must be submitted in writing to the Director of the VA facility where the decision was made. The Director, Education Service, shall review the evidence of record and any other pertinent evidence the educational institution may wish to submit. The Director, Education Service, has the authority either to affirm or reverse a decision of the Director of a VA facility.

(3) A veteran, who is pursuing a course leading to a standard college degree, may transfer between consecutive school terms from one approved educational institution to another for the purpose of enrolling in, and pursuing, a similar course at the second educational institution. If the interval between terms does not exceed 30 days, VA shall, for the purpose of paying educational assistance, consider the veteran to be enrolled in the first educational institution during the interval.
